

The Renewal Application for Summer 2020, Fall 2020, and Spring 2021 for Current Program Providers will be released on Monday, September 9, 2019 and is due on Friday, September 27, 2019 by 5:00 p.m.

**\*Providers must submit ONE Renewal Application per program.\***

### Renewal vs. RFP Application

Similar to last year, Current Providers — defined as those who are providing a program with After School Matters during the current program year (Summer 2019, Fall 2019, and Spring 2020) — will submit a Renewal Application focused on deepening their ability to create quality programs and provide effective instruction.

*Current providers do not need to submit a proposal through the standard Request for Proposal (RFP) process, unless you would like to propose a program with a different content area or focus.*
