

Join TEAM After School Matters for the Strides for Peace Race Against Gun Violence on September 23, 2021!

In 2016, TEAM After School Matters began with a mission to provide life-changing opportunities for Chicago teenagers. Since our first race, nearly 150 athletes have dedicated their miles while raising over \$100,000.

TEAM After School Matters will be an experience that expands beyond crossing the finish line. You will be part of a network of individuals dedicated to raising funds for the future of Chicago – our teens.

ADDITIONAL BENEFITS
